OBJECTIVE

I am a dedicated and motivated individual with a strong background in Computer Science Engineering. I strive for excellence in every task I undertake and have a keen interest in the fields of technology and problem-solving. With a passion for learning and a drive to succeed, I am eager to contribute to the growth and development of innovative projects.

EDUCATION

Bachelor of Technology in Computer Science Engineering

Sep '20 - May '24

Vellore Institute of Technology | Vellore

CGPA: 7.67

Telangana State Board of Intermediate Education

Apr '18 - Mar '20

Narayana Junior College | Hyderabad

Aggregate: 97.3%

Telangana State Secondary School Certificate

Jun '17 - Mar '18

Narayana High School | Hyderabad

CGPA: 9.2

PROJECTS

Detection of DDoS attacks using SDN Controller.

- Detection is done using POX controller.
- Detection using PCA and entropy is done to find out which is the best method in detecting DDoS attack.

BPCS based Steganography with Integration of RSA.

- This algorithm ensures embedding of text inside an image which makes the data safe from attackers.
- The encrypted image of BPCS is again encrypted using RSA as resulted the text inside an image will be more secured.

Lane Prediction Optimization and Secure Traffic management using VANET.

- Shortest path of the vehicle(s) is predicted.
- With the help of RSU's and OBU's using Dijkstra algorithm.

Movie Recommendation Based on Emotion Using Web Scraping with IBM.

- The Movie Recommendation Based on Emotion project aims to develop a personalized movie recommendation system that suggests movies to users based on their emotions.
- By leveraging web scraping techniques, sentiment analysis, and emotion recognition, the system provides movie recommendations that align with the user's current emotional state or desired emotional experience.

SKILLS

Java	LT Spice	HTML
Python	MySQL	CSS
C	StarUML	

CERTIFICATIONS

Python3: From Beginner to Pro, by Murthy Karra, Udemy, June 2023.

AWS Cloud Practitioner, Amazon, July 2023.

AREAS OF INTEREST

Java, Python, Artificial Intelligence, Web Development

LANGUAGES

English, Telugu, Hindi

CO CURRICULAR

Core Committee Member of Nature Lovers Club

2022-2023

Volunteered for VIT LEO Club

2021-2022
